Successful September

September has been one of our most successful months yet, with our largest number of attendees at weekly group sessions. It's been brilliant to see so many players getting involved, trying different types of sessions, and watching the numbers grow each week.

We've also had a fantastic start within the school community, and it's been amazing to see so many of you from schools coming along to our weekly sessions and holiday camps. The support and enthusiasm has been incredible, and we're so proud to see more and more people getting involved.

Looking ahead, we're continuing to expand and are always on the lookout for new schools and opportunities to bring sport to all ages. Whether it's football or other sports, our aim is to give everyone the best chance to flourish, stay active, and enjoy being part of sport.

We're Hiring

Front Foot Coaching is growing, and we're looking for enthusiastic people to join our team. If you've got a passion for coaching, love working with children, and want to help inspire the next generation, we'd love to hear from you!

This is a fantastic opportunity to get involved and make a real difference. So if you're interested in joining us, just drop us a message or an email—we'd love to chat!

1-1 Sessions / Small groups

It's been fantastic to see so many players making the most of our 1-1 and small group sessions over the past few months. The effort, progress, and dedication shown has really taken games to the next level.

As the darker nights and colder weather roll in, we'll be wrapping up these sessions for the winter. But with such a successful run, we're excited to bring them back as soon as conditions are right in the new year! A huge thank you to everyone who's taken part, we've loved working with you and seeing the improvements on the pitch.

In the meantime, don't forget there's still plenty happening at Front Foot over the winter to keep you active, engaged, and involved.

Coaches Corner

We're back with our monthly coaching updates!

Coach Morgan has gained valuable minutes out on loan at Darlestone Town and has now returned to Redditch, where he's looking to make an impact as he re-joins the side. The team will be aiming to climb the league from their current 9th position as the season progresses.

	7	Halesowen Town	9	+1	15
	8	Real Bedford	9	+3	14
	9	Redditch United	9	+1	14

Coach Tyler and Brackley Town are enjoying life in the National League, continuing their strong start to the season. With a game in hand, a victory in their next match could see them climb as high as 8th in the table, keeping fans excited about the team's impressive momentum.

10.		Tamworth	12	14:16	18
11.		Brackley Town	11	10:9	16

	12	Bamber Bridge	9	+3	13
	13	Ashton United	9	+3	13
	14	Rushall Olympic	9	+2	13

Coach Liam has had a cup-heavy month at Rushall, with only three league games played so far. The team currently sits 14th in the table, leaving plenty of room to climb as the season progresses. With plenty still to play for, they'll be looking to be back up the table at the end of October.

Coach Ania and Sporting Khalsa enjoyed a strong month, securing two important victories. Ania will be looking to continue gaining valuable minutes on the pitch before returning to Wolves.

	2	Vauxhall Motors	8	+6	15
	3	Bury	7	+4	14
	4	Chasetown	7	+4	14

Coach Merrick is continuing to work hard behind the scenes to ensure her knee is fully ready before making her return to the team. Her dedication and commitment are clear, and everyone is looking forward to seeing her back in action when the time is right.

It's been a busy month for Sam at Chasetown, with cup fixtures dominating the schedule. Unfortunately, the team bowed out of both the FA Trophy and FA Cup, with only two league games played this month. They currently sit in a strong fourth place in the table as the focus shifts back to the league campaign. They'll be looking to take advantage of their games in hand.
