Successful October camps

New block booking for November

Elite sessions thriving

A great month for our coaches

October Camps

Our October camps were an incredible success, with over 65 kids joining us across both! The camps were packed with Halloween themed fun from spooky games and fancy dress costumes to face painting, Match Attax, sweets, and plenty of prizes for everyone. The energy and enthusiasm from all the kids (and parents!) made it such a fantastic week. We can't thank everyone enough for coming along, showing your support, and helping make this our best camp yet!

REVIEW

Elite Sessions

BOOK
NOW

October was a really positive month for our Elite Sessions! We're starting to see more and more players coming along each week, putting in the hard work, and really beginning to reap the rewards of their efforts. The progress, attitude, and commitment shown have been fantastic — it's great to see everyone pushing themselves and developing their game.

The new block starts this Friday, with four sessions running throughout November. The block is £60, and there are only eight spaces available, so be sure to book early to guarantee your spot! We don't want anyone missing out — we hate having to say no when spaces fill up.

Sessions run from 6:15 pm to 7:00 pm every Friday at Burntwood Leisure Centre, and we'll be here every week all through the winter. Let's keep the momentum going and make this next block even better!

Player Watch and Parent Feedback

★★★★★ Fantastic Football Camp

Tommy attended this football camp for the first time over half term, and he absolutely loved it! He was a little nervous on the first day, but the coaches were so kind and welcoming! He came home full of excitement, chatting non-stop about the fun games and all the football skills he'd learned - he actually cried the next morning because I hadn't booked him in for that day! That says it all. The team created such a positive, encouraging atmosphere — it's clear they really care about the kids having fun while building confidence.

We'll definitely be signing up again next time. Huge thanks to all the coaches for making the football camp such a brilliant experience! ⚽💙

A football camp that caters to much...

A football camp that caters to much more than the sport. Being a team player, self confidence, inclusion, compassion and empathy all wrapped up and hidden in football skills.

Sam, Liam and the team are incredible at what they do, they are more than coach's. They are supportive beyond the game and only want the best for the children not just planning camp for their passion of football.

The extras they offer in themes, the rewards, the medals, no child feels left out and I think that ethos is worth so, so much.

My son feels comfortable and safe around of the coach's, his confidence across the week has grown and his skills have improved to. He has ran in everyday and left with a smile from ear to ear each day. I am very thankful to Front Foot for their ethos in their training both in camps and on Saturday sessions. I highly recommended.

★★★★★ Fantastic football camp for all ages

Coaches are fab with all the kids. It is also open to a wide range of ages and abilities. It is nice to see every child accommodated. My child has learnt so much and loves coming. He was given the opportunity to go to a different camp this time. He refused and voted front foot coaching all the way. Nice to see the kids get medals and certificates too. They feel included

My Son had another great time at footy...

My Son had another great time at footy camp. He absolutely loves it. The coaches are amazing with the children. Highly recommend.

Congratulations, Maggie! Its great to see all the hard work and dedication you've shown in your 1-1 sessions and girls-only sessions. It's amazing to hear that Jo Sheerin, the Chasetown Women's manager, chose you as her Youth Player of the Month for your outstanding dribbling, passing, and pace — and that you also earned Manager's Player of the Match! Your effort and focus are clearly paying off on the pitch, and it's fantastic to see your skills developing week after week. Keep up the brilliant work!

A special shoutout to our Players of the Week – Bowie, Izzy, and Daniel! These awards recognise individuals who have gone above and beyond, showing excellent behaviour, using their manners, being kind to others, and always offering to help those around them. It's fantastic to see our players demonstrating the values that make our environment so positive and supportive. Well done to all three for setting such a great example both on and off the pitch!

Winter Team Sessions

As the winter months set in, why not freshen things up and let our coaches take a session with your team? It's a great opportunity to give your players a different voice, fresh ideas, and an extra push to take their game to the next level.

With use of the Astroturf at Burntwood Leisure Centre on Friday nights, we can host your session at our venue — or, if it's easier, we can come to you! Whether you're looking to challenge your players, introduce new training methods, or simply provide a change of environment, we're here to help.

Get in touch today to book your session and make the most of this opportunity!

New Blocks Open to Book

Block Booking Now Open for November!

Our popular Girls Friday session (5:00–6:00pm) and Saturday Morning Group session (9:00–10:00am) are back with a new block for November! Sessions are just £45 for the month. Don't miss out — bring a friend along for free at both sessions, and remember your first session is completely free. Spaces are limited, so book now to secure your place!

Coaches Corner

We're back with our monthly coaching updates!

It's been a strong month for Morgan and the Redditch side, with a series of impressive wins seeing the team climb up to 4th in the table – just three points off the top. Morgan has continued to build momentum, earning more minutes on the pitch and starting several games throughout October.

It's been a challenging month for Sam and the team at Chasetown. October brought a tough run of fixtures and mixed results, but the squad showed real character to finish on a high with an emphatic 6-0 win at the weekend. With momentum now back on their side, the focus turns to building consistency and climbing further up the table as they head into a busy November.

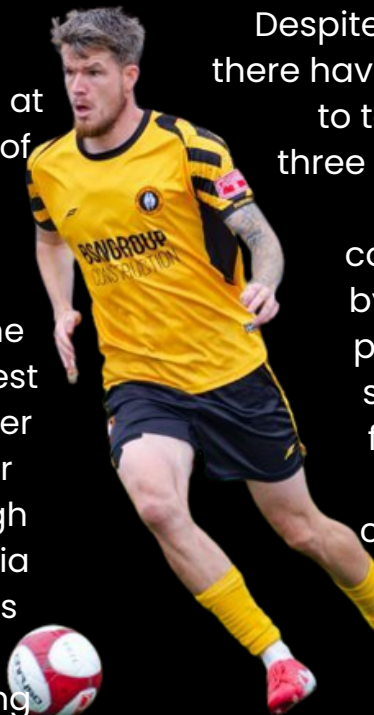

It's been another valuable month of experience for Ania at Sporting Khalsa, with plenty of game time helping her continued development. October also brought an incredible opportunity as she received a call-up to the latest Wales camp, representing her country in a double-header against Switzerland. Although results didn't go her way, Ania described the experience as one she'll never forget – a proud moment in her growing career.

It's been a steady month for Tyler and Brackley Town, with plenty of positive results helping to maintain their solid mid-table position in the National League. The highlight of October came in the FA Cup, where Brackley produced a stunning performance to beat League Two side Notts County and reach the Second Round – a fantastic achievement for the club. Tyler was outstanding on the day, earning Man of the Match honours in front of the BBC cameras with a truly impressive display.

It's been a difficult month for Liam and his Rushall side, with mixed results throughout October. Despite the challenges, there have been positives to take – including three goals from Liam himself as he continues to lead by example. With plenty of football still to come, the focus now shifts to finding consistency and climbing the table in the weeks ahead.
