Coaches Corner

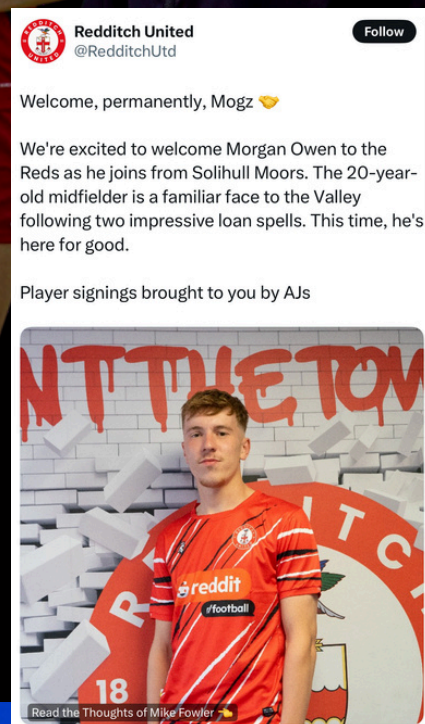

With the new season approaching here's where our coaches will be!

Sam has re signed for Chasetown, who will be aiming to go one step further this year after last season's disappointing finish.

Tyler has continued with Brackley Town in the National League, where he'll be looking to make his mark on the biggest stage in non-league football.

Liam has re signed Rushall Olympic as they aim to bounce back strong from last season's relegation. After impressing during a loan spell, Morgan has secured a permanent move to Redditch United and will be looking to continue his strong form from last season.

We're also excited to welcome Wolves and Wales international Ania, who joins us with top-level experience, and we're delighted to see the return of Merrick, currently with Wolves, as part of our group again. Huge congratulations to all and we'll keep you updated throughout the season.

Player Spotlight!

Finley Signs with Birmingham City Academy! ⚽

We're thrilled to share some fantastic news from the Front Foot Football family — Finley has officially signed with Birmingham City Academy!

Fin has been a familiar face at our Saturday morning group sessions, showing up week after week with determination, focus, and an undeniable passion for the game. His consistent hard work, positive attitude, and dedication to improvement have paid off and now he's taking the next big step in his football journey.

Seeing Fin progress into academy football is a proud moment for everyone here at Front Foot. It's a true reflection of what commitment and persistence can lead to.

Congratulations, Fin!

We're now heading into the final few Wednesday sessions, so make the most of them before we break for summer.

But don't worry—Saturday morning sessions are here to stay and will be running all summer long! Whether you're a regular or thinking about joining for the first time, there's no better time to get involved
